The Love, Evan project

Sharing Our Stories

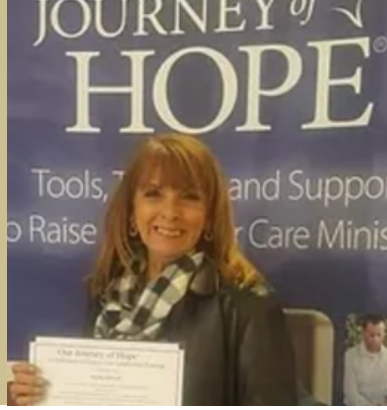

This issue is dedicated to you, our friends, and family who are facing serious illnesses. We are so blessed to be able to come alongside you on your cancer journey and your lives have touched us deeply. These are your stories.

Love Evan is a loving non profit organization. Their logo truly reflects what they stand for and do. They brought hope and warmth when you feel hopeless. Evan still lives through this organization and has brought purpose. I will forever be grateful with Tracy due to her loving efforts and going out of her way to bring cheer to those that are hurting.

Thank you so much from the bottom of my heart. I blessed a friend with your gift card whose son is battling brain cancer. What you and the Love, Evan Project are doing is truly amazing.

I am so honored to be a part of Love, Evan. I get to see the impact they make on so many individuals and families going through cancer. Giving specific gift cards and services is so important to let people know they are not alone in this journey. The Niizawa family and the team of volunteers have a huge heart and passion to serve and keep the beautiful legacy of their son Evan alive in others.
– Kathy A.

I am flabbergasted by your thoughtfulness for my recent gift card. Your act of kindness truly makes my day during my cancer journey.
– Triciana L.

I am forever grateful to the Love, Evan Project. I am a colon cancer survivor unable to work, and they have helped me with my health care, food and gas needs. Thank you so much for your loving kindness and generosity. All the Glory to God!
– Carrie K

From the bottom of my soul, a beautiful thank you for your support as I continue to battle through Multiple Myeloma. Cancer has been the darkest night of my life but because of you, I had people around who cared about my physical, emotional, and spiritual well being. This has been and is invaluable.
I plan even as I continue to heal, to pay all of the kindness I received forward to other Cancer patients in need. You cannot do CANCER alone.
One Love,
Carol
Cancer Survivor

We would like to give special thanks to the Gene Haas Foundation for their generous grant. With their help, we will be able to touch the lives of hundreds of people affected by cancer or other serious illnesses and continue to pay it forward as we walk alongside them on their journey.
